

FACT SHEET

SUSTAINABLE STUDENT TRANSPORTATION

ALTERNATIVE TRANSPORTATION

includes ridesharing, walking, biking, skateboarding, or using public bus/shuttle systems

By walking and biking to class, you **SAVE** gas money and **IMPROVE** your health by being more active

You can take advantage of the **BIKE ROUTES** and **WALKING PATHS** located throughout the city and surrounding areas to reduce pollution and encourage alternative modes of transportation

The **WEST CENTER** provides you bike racks, showers, and changing areas to encourage walking or cycling to class

Three Rock Hill-based **CAB COMPANIES** offer student discounts for airport shuttles and other local destinations

BIKE RACKS are located on campus and near all residence halls and main facilities

**WINTHROP UNIVERSITY
